Human Connexus Foundation is very fortunate to have many donors whom are extremely generous for many years. Without their continued support, Human Connexus would not be able to make a difference in so many people's lives. In month's newsletter, we wanted you to hear from one of our compassionate donors.

Missy Kirchner from Kirchner Family Foundation has supported HCF for the past 5 years through yearly donations and as a personal advisor. We sat down with Missy to hear why she is so passionate about Human Connexus Foundation.

**Why do you think investing your charitable dollars into Human Connexus is so important?**

"In these times of seemingly endless need, we all look for ways to maximize dollars donated. Cindy does that by running Human Connexus with the lowest overhead -to-benefit I've seen."

**What compelled you to start giving to Human Connexus Foundation?**

"Who could resist helping families who are so deserving and who are facing so much - and who among us hasn't had a friend or loved one face a traumatic medical issue? The work that Human Connexus does is critical."

**What personal benefit or satisfaction do you receive from giving to charitable organizations?**

"It's a gift to be able to make even the smallest difference in anyone's life, but it's even more compelling when children are involved. Thank you Cindy and HCF for all you do!"

**AVAILABLE - Recurring Monthly Gift Contribution**

Instead of making a one-time contribution, you can spread your donations throughout the year. Human Connexus has the ability to charge your credit card on a monthly, quarterly or annual basis. Just click the DONATION button below and when prompted for a RECURRING donation, place in the frequency that works best for you.

Here is what one of HCF Board of Directors says about recurring monthly.

"You can pick the frequency and the amount that meets your household budget. Spreading your annual amount throughout the year provides you an opportunity to give more and have a bigger impact. You are giving back to the community without even thinking about it." Tonni Lebaron

Please don't forget to submit your receipts to your company's **Charitable Matching Program.**
